## Individual Lessons & Customized Improvement Plan

For the intermediate and advanced player, the best vehicle for development is one on one attention in a customized program with the instructor of your choice. Lessons at MG & TC are discounted for juniors ages 17 and under at a rate of \$40 per half hour. Whether it is a current problem that needs attention or a longer-term strategy to maximize potential, please consider individual lessons at the Club. We are also happy to conduct semi-private sessions by appointment for anyone that composes their own group.

**\*\* NEW FOR 2020 \*\***

We are excited to announce the roll out of a new, widely respected program called Operation 36. The goal of this program is to provide our Juniors with more opportunities to play and learn the game on the golf course, while being able to track their progress as they develop. This new tool will allow us to have more structured practices and playing events, while also providing us with an enhanced communication source to stay in touch throughout the season. Operation 36 will also allow us to expand our program with more Spring and Fall offerings in order to provide a wonderful playing and instructional opportunity for the bulk of the year.

# Competitive Opportunities

## PGA Junior League

MG & TC participated for the first time in 2015. At its core, PGA Junior League Golf is a group of local golf teams from area clubs who play a series of games against each other, utilizing a nurturing and social 2 player scramble format. Games are 9 holes with each 3-hole increment being worth a “flag” (or point). The program is available to boys and girls, 13 and under, of all abilities. Our PGA Professionals serve as Captains and are responsible for creating a welcoming environment for all that encourages skill and character development. Parental assistance is encouraged for walking with players and is required for transportation to away games. Similar to other youth sports, team members wear uniforms, have practices, and division winners move on to Regional play and a National Championship is held. More information is available at <http://www.pgajlg.com/format>. League play will be between late May and late June at times arranged with the other Clubs in our divisions (to be announced late Spring). Cost including uniform shirt and 5 practices: \$300 per player.

# Important Junior Information

## MC&TC Learning Tees

Mendham Golf & Tennis Club has incorporated learning tees throughout the golf course. These tees are designed to encourage the introduction and retention of junior golfers into this great game. Juniors, based on their skill level, will be encouraged to play from a designated tee color. After shooting a “target score” or better twice from their current tee, they will graduate to the next color. With the learning tees at Mendham, we believe that our juniors will have the opportunity to have a sense of accomplishment and progression without being overwhelmed by the difficulties of a full length golf course. “Holer” Designation:

3 - Holer - **Blue** Tees

6 - Holer - **Gold** Tees

9 - Holer - **Red** Tees

18 - Holer (Certified Junior) - **Red** Tees (Girls); **Blue/White** Tees

## Junior Certification

Certification designation expands junior playing privileges to allow play anytime on weekdays without parental accompaniment and before 12PM with a parent or another adult member on weekends and holidays.

Certification involves filling out an etiquette questionnaire with a parent and an on-course review by a golf professional (appointment necessary).

Certification is for juniors age 13 and older. It is recommended that a junior attend at least 3 spring clinics prior to being certified. Non-certified juniors are restricted and can play with an adult as follows: weekdays anytime and after 12PM on weekends and holidays. Juniors under the age of 18 are not permitted to bring guests, unless approved by the Golf Professional Staff. If between the ages of 18 and 23 inclusive, juniors have unlimited golf and guest privileges.

## **Dress Code**

Male golfers and guests will be permitted to wear shorts of Bermuda length (2-3 inches above the knee) or slacks. Male golfers must wear shirts with collars at all times, mock turtle necks are also permitted. Cut-offs, jeans, T-shirts, short-shorts, cargo shorts or any undergarment type of attire is not permitted. Shirts are to be worn tucked in. Female Golfers and guests must wear golf dresses, slacks or Bermuda type shorts at all times accompanied by an appropriate golf shirt. Appropriate golf shirts for females should have a collar OR sleeves, but not required to have both.

## **Cell Phones**

Juniors must refrain from using cell phones for conversation on the golf course, practice areas and clubhouse. Phones must be kept on silent or vibrate on club property. If there is a need to use the cell phone for conversation it is permitted in the locker room and parking lot\*\*
